FAKE SCOTCH WHISKY.

Washington, Oct. 12.-Dr. Wiley, chief chemist of the Agricultural De partment, who has been giving some attention to the ingredients of Scotch whisky from the scientific point of view, has had some information on that subject recently from Consul General H. Clay Evans. From the letters what it can be made of, not omitting the ingredient of creosote. Talking the high seas on the first assistant enon the subject today Dr. Wiley is re- gineer above named. ported as saying:

One of the principal ingredients of Scotch whisky if put into so much 'si- Thursday. lent spirit,' as they call it in England,

General Evans some of the essences cero, with others, was below when white or white-spotted birds hanging from which some Scotch whisky sold McIntosh went to call the watch.
